TECHNOLOGY

HOW HAS IT
CHANGED US?

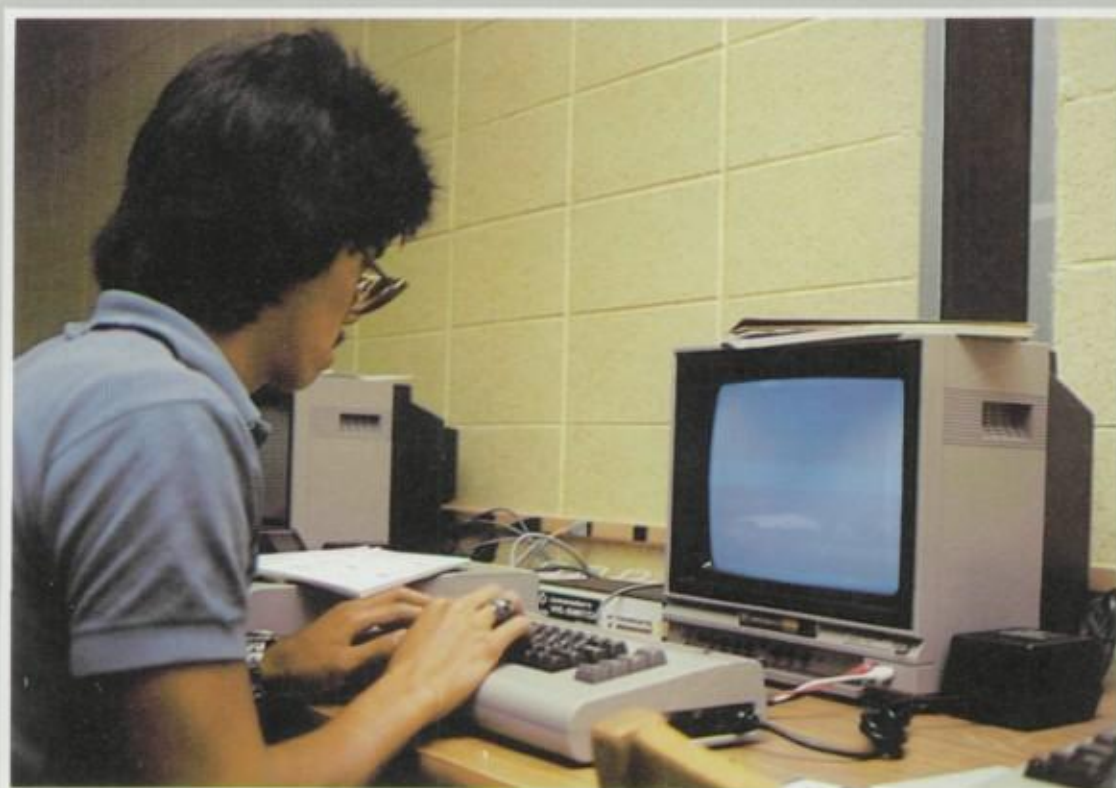

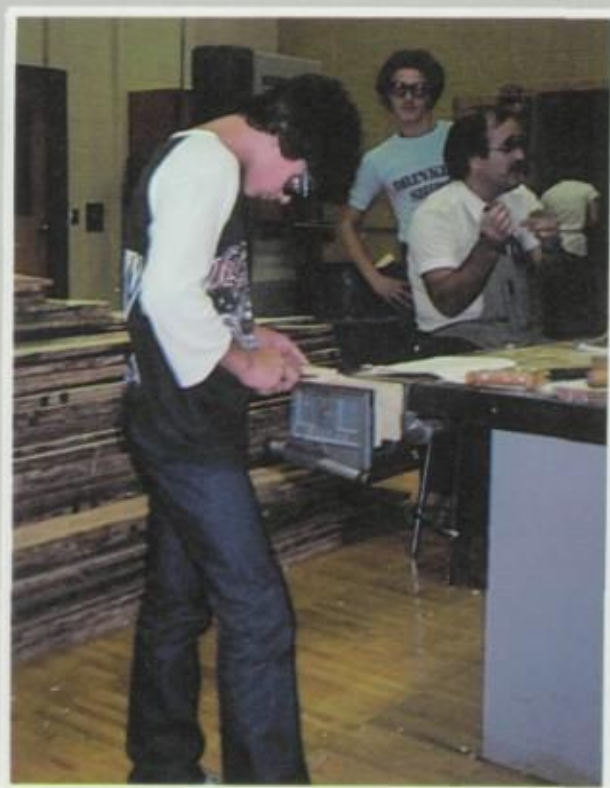

FROM . . .

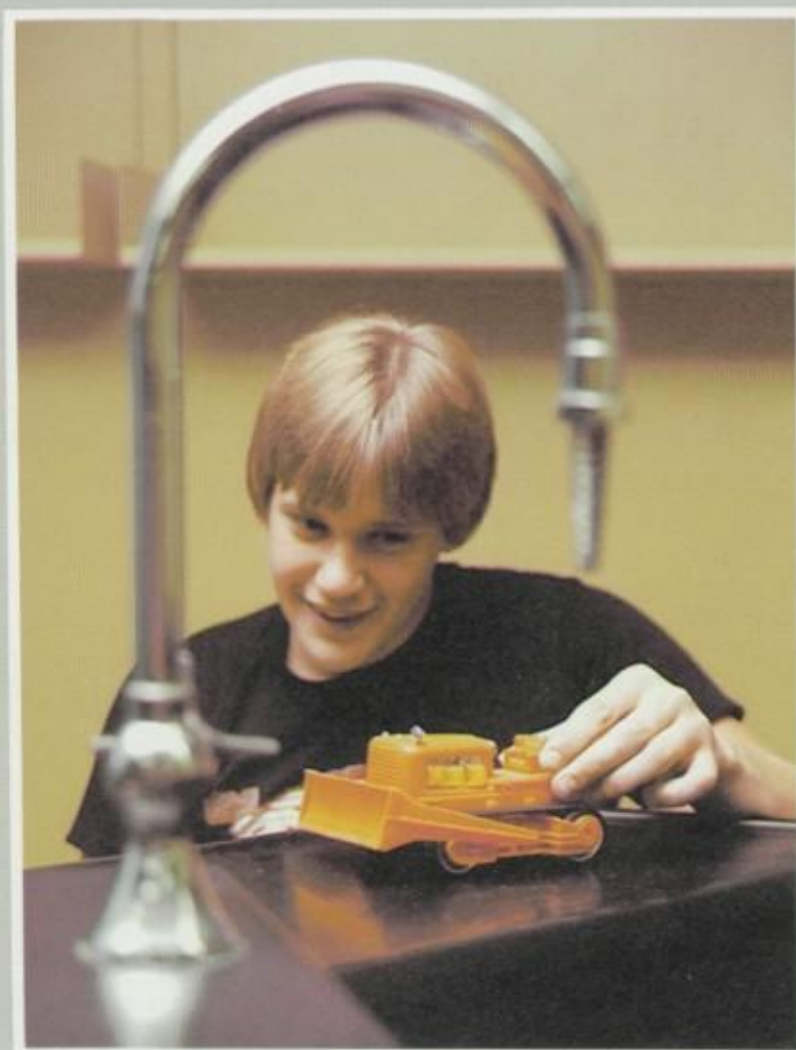

TO . . .

SO MANY ADVANCEMENTS

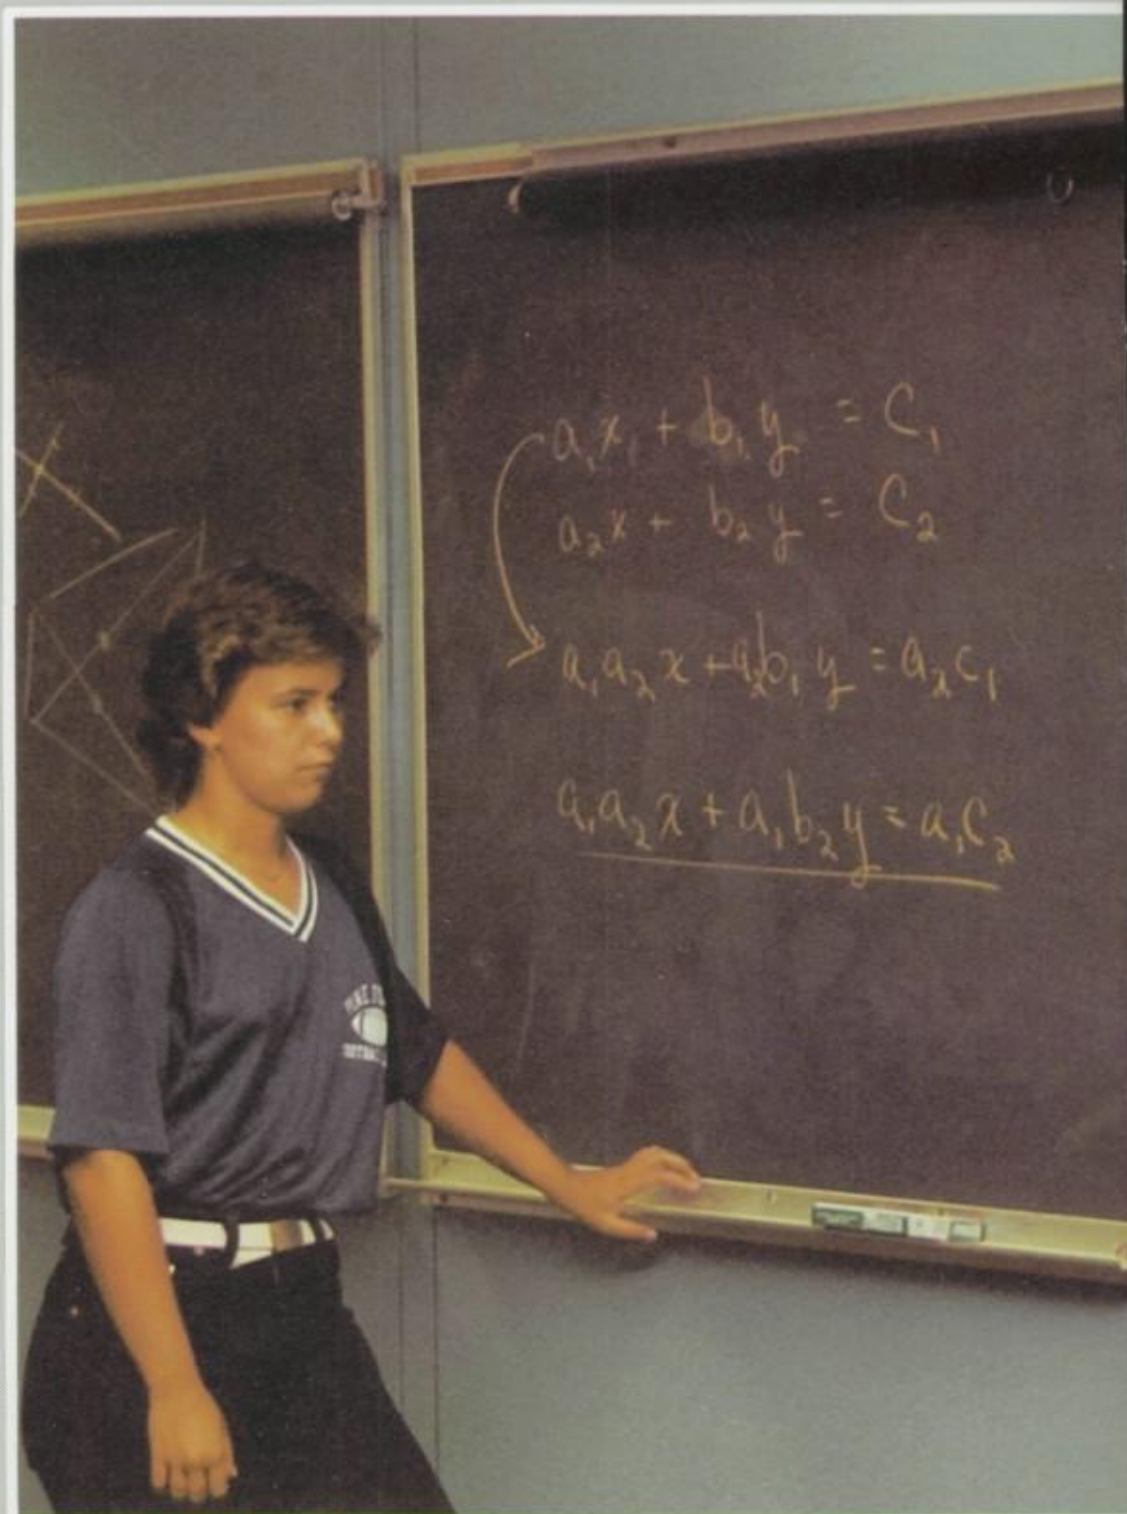

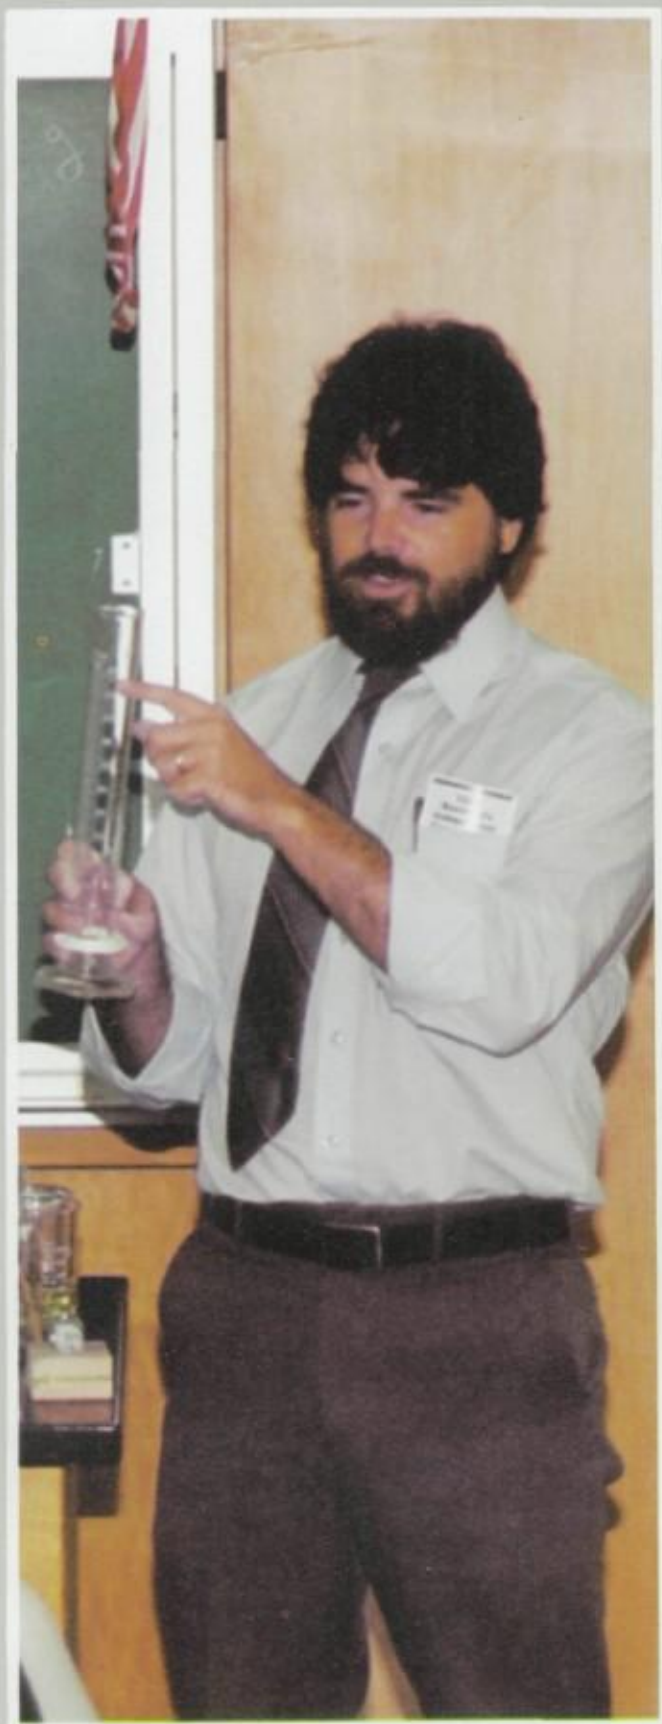

BUT,
HAVE WE
MISSED
SOMETHING?

Are We Losing

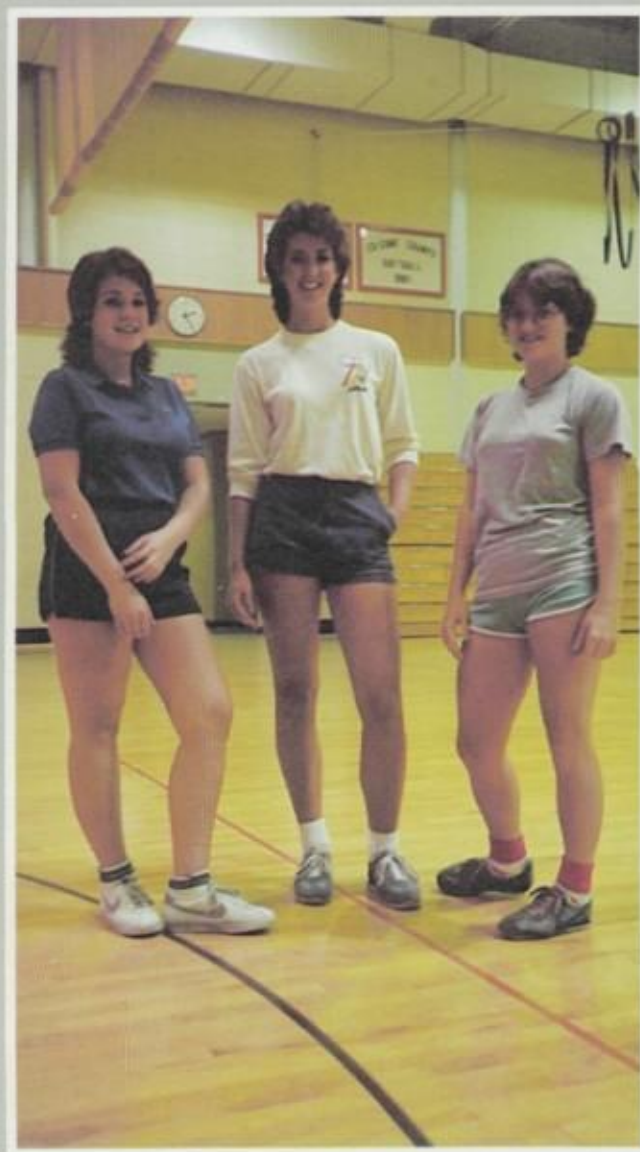

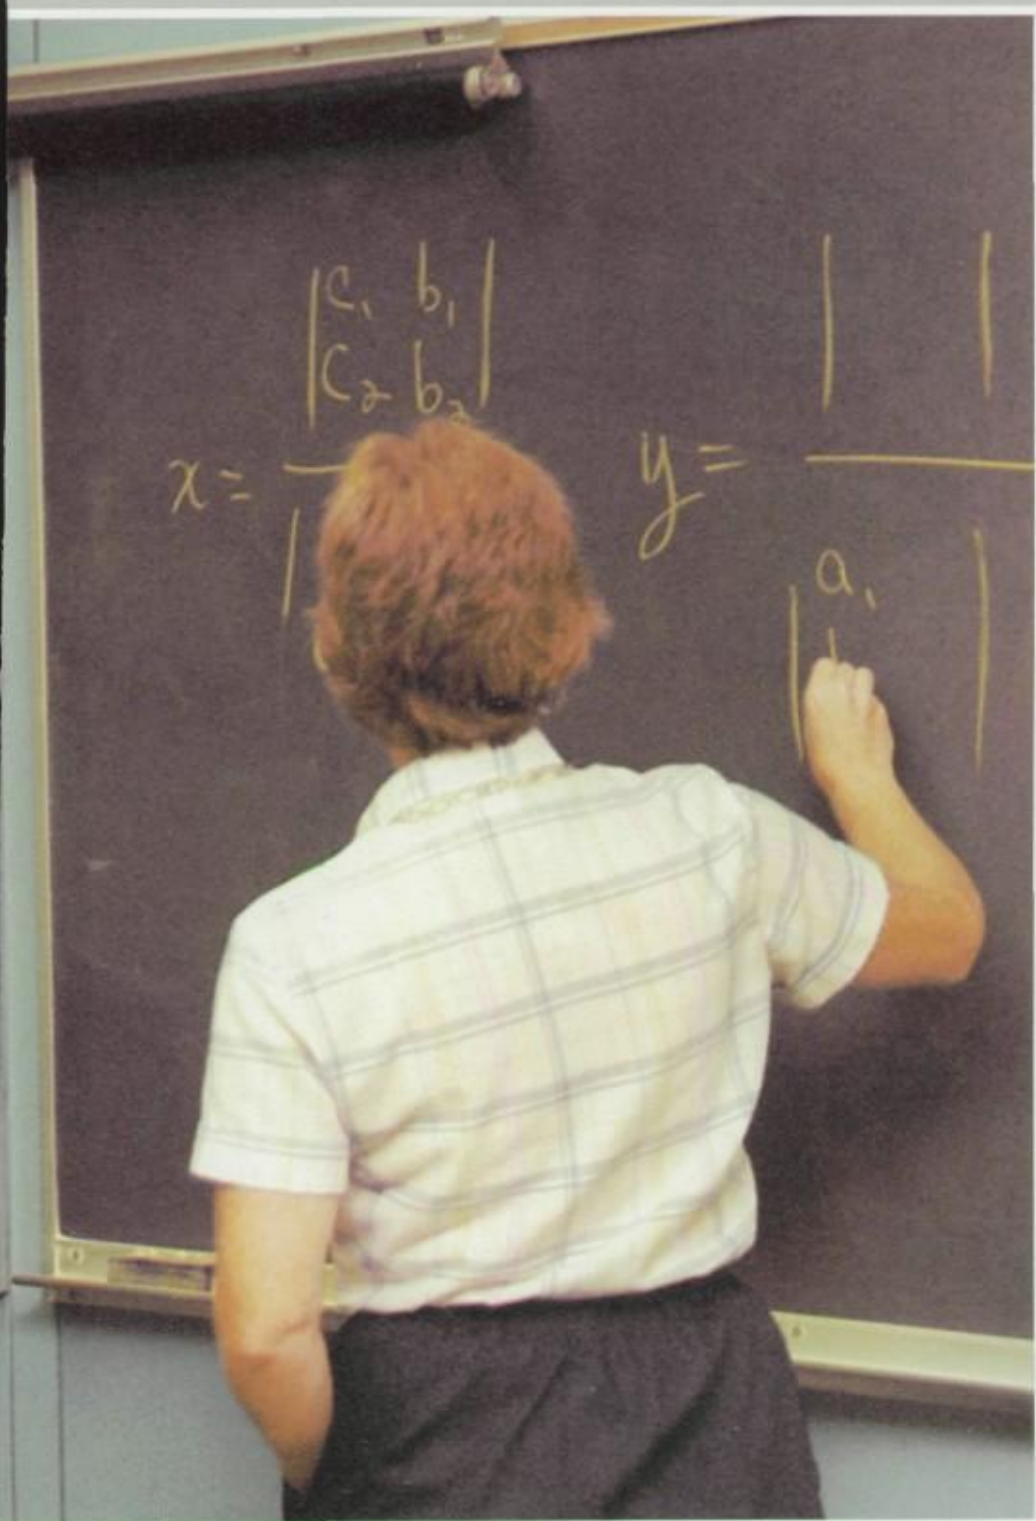

Our Individuality . . .

OR ARE WE

IMPROVING OUR FUTURE?

INVICTUS

Out of the night that covers me,
Black as the Pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody but unbowed.

Beyond this place of wrath and tears
Looms but the Horror of the shade,
And yet the menace of the years
Finds and shall find me unafraid.

It matters not how strait the gate,
How charged with punishments the
scroll,
I am the master of my fate:
I am the captain of my soul.

By William Ernest Henley

ALMA MATER

O Cumberland Regional,
You are the best!
You're learning and reaching
and passing the "test" . . .
Of decency, loyalty,
building a dream . . .
To our Alma Mater
We cheer as a team.

Your glory we'll sing—
for years without end . . .
O our Alma Mater,
Our dearest friend.
Encouraging, challenging
as years go by
To our Alma Mater
Sing praises to the sky!

by Michael Sacharnoski
Class of 1981

Dr. William A. Caldwell

B.S. in Educ. California State College

M.S. in Educ. Central Missouri State University.

Ed.D. Nova University

Invictus: What are your opinions of the class of '84?

Dr. Caldwell: The senior class this year is one whose potential is quickly becoming reality. The Class of '84 is a multi-talented group of individuals. I think the Class of '84 is a group of young people who are going to make a mark in the community. I believe they will be very successful in college, as well as later on, when they take their place in the working world.

Invictus: What's your favorite color?

Dr. Caldwell: I should say brown and orange are my 2 favorite colors, but I think my favorite personal color is blue.

Invictus: How do you think technology has changed our lifestyle?

Dr. Caldwell: I would say technology has made our lifestyle considerably easier than it once was. Personally, I have a riding lawn mower. I think, basically, technology has helped the American community as a whole, lead a better lifestyle than any other country in the world.

Invictus: How has CRHS grown in school spirit?

Dr. Caldwell: I think the advertisement in the newspaper advertising our Back To School Night said it all. "We're having a great year, come out and join us." I feel that our school spirit, beginning actually several years ago, has really escalated tremendously. Right now things seem to be really running at top level. Now maybe some of the students may tend to disagree with me, but that's my perception as Principal.

Invictus: What is the effect of your new position as Superintendent/Principal on the students?

Dr. Caldwell: In my new position as Superintendent/Principal, I'm not as close to the students as I formally was. At one time, I met regularly with the Student Council, but now I'm required to attend a whole array of meetings each month.

Dr. Caldwell: I would refute that statement with every ounce of strength that I have. I just look around our school and talk to the kids that have gone to college and find out how they're doing, and those kind of things tell me that indeed quality education is here. The key component is whether students are willing to draw upon the energies talents and resources here at our school.

Invictus: What are your hopes for the Class of '84?

Dr. Caldwell: My most sincere wish is that the Class of '84 ten years from now will come back and tell me that our school did a solid job in preparing them to take their place in the American society.

Invictus: How is the rapport between Principal and Superintendent?

Dr. Caldwell: Superb.

Invictus: How are computers affecting learning at CRHS?

Dr. Caldwell: Well, with the addition of the new microcomputers, I think the impact will be felt to a greater extent in the years to come, but computers are having an impact on our students right now. I think also the whole technology of calculators is having the greatest single impact on our students.

Invictus: Are humanities important in light of the computer age?

Dr. Caldwell: Absolutely.

Invictus: Why?

Dr. Caldwell: I think it is important that our students become well rounded students, that we are able to express ourselves through a whole array of media and encourage creativity in those areas. I think our students should have the ability to express themselves in the dramatic arts, music and fine arts.

Invictus: What are the first 3 words that come to your mind when we say "Cumberland Regional High School?"

Dr. Caldwell: Excellence in Education.

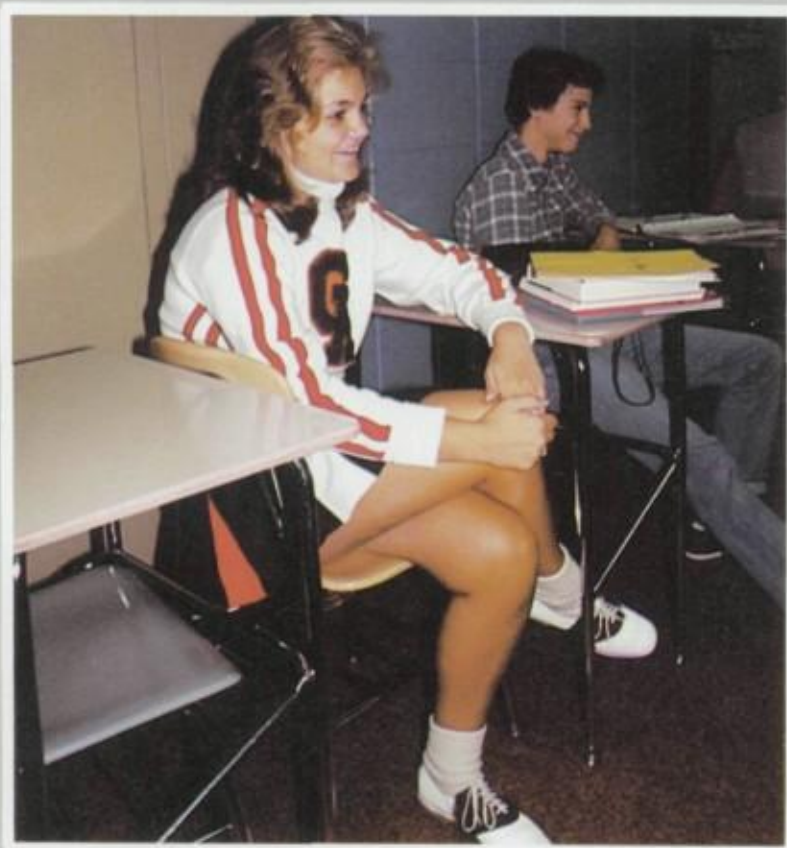

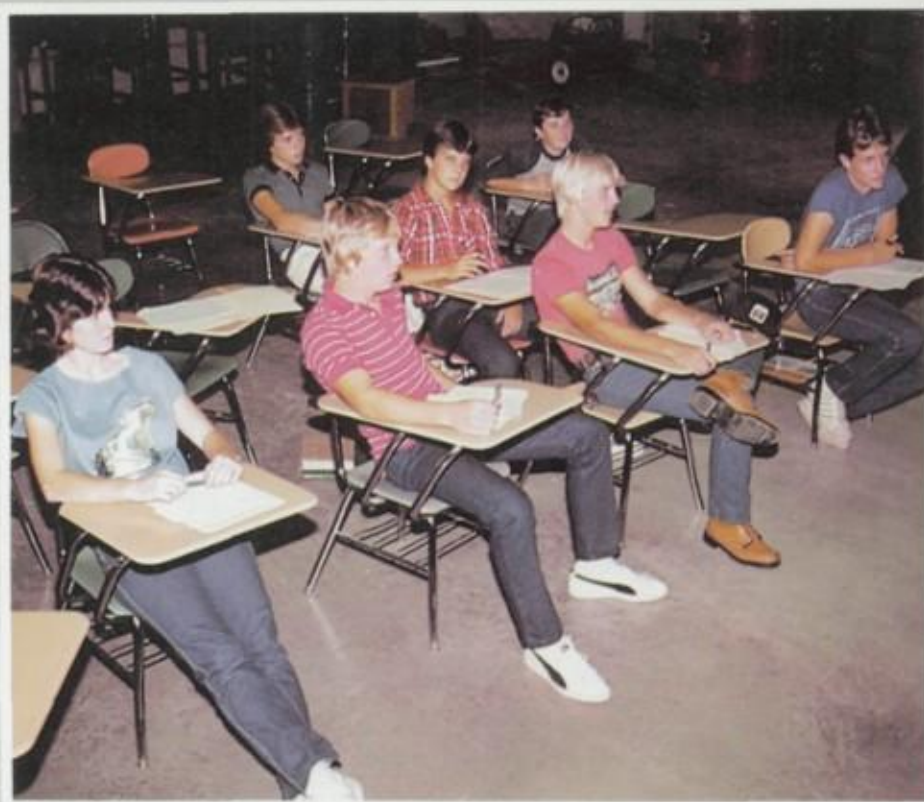

Invictus: What improvements would you like to see?

Dr. Caldwell: I think that anytime we sit back and become satisfied with what we have, that's when we'll regress. We always have room for improvements. I think we need to continue reviewing our curriculum in the Language Arts area, maybe expanding on the honors program or the Language Arts electives. We need to continue the maintenance program so that the physical part does not deteriorate. I think we can always improve the involvement of students with their school.

Invictus: Would you like to say anything in closing?

Dr. Caldwell: Only that I'm very proud to have been affiliated with our high school since its inception in 1976 and I can say that when I wake up every morning, I never have to question myself on whether I want to come to work or not. I'm very proud to be Superintendent/Principal of Cumberland Regional High School.

BLOOD MOBILE

Due To The Good Response

of the staff and students, we were able to obtain 81 pints of blood. Club members provided volunteer services during the Blood Mobile. This event fulfills a great community need."

-Mrs. McCormick

Activities

TEMPERATURES WERE LOW, BUT

Homecoming Queen and Her Court: N. Regalbuto and escort J. Brodzik, E. Bajars and escort B. Ayars, Queen C. Schweibinz and escort R. Marks, P. Cupe and escort A. White, J. Patterson and escort A. Pettit.

...um. . Has anyone phoned home for you guys yet?

Despite the freezing temperatures and the blustering winds, the turnout for the 1983 Homecoming game was spirited. Although the final score was disappointing, the day had its bright moments. The Freshman class provided the fans with flash card cheers. The Sophomore class ran out holding a banner reading "Colts Conquer

All!!" and singing a chant. The Junior class displayed a banner "Come Alive with the Class of '85". The Senior class chanted "Be like E.T., go home!" and had two Senior students in E.T. costumes. The climax of the half-time activities was the naming of the Homecoming Queen, Cindy Schweibinz.

Some years luck and calls are with you and other years they are not. This year the breaks were not with the Colt football team. Injuries and untimely calls contributed to a year when the Colts were stopped inches short from being a Conference Contender.

The Colts started the season strong with back to back wins over Egg Harbor and Atlantic City where they netted over 80 points in both games. The Colts then boosted their record to 3-0 with a squeaker against a strong Ocean City. Then the Colts luck went sour and fate seemed to be against them. After Ocean City the Colts won only 1 more game and lost 2 games by inches as they were stopped 6 inches short in Shawnee and Vineland. Tough losses to Holy Spirit and Millville were aided by some tough breaks. Finally came the Turkey Day game and with the Dogs came the rain. Again the Colts were stopped inches short from winning as they fumbled on the two year line, the two teams battled in the mud and rain to a 0-0 tie.

The Colts worked hard during the off season and played their best throughout the season. They never gave up in a single game and always played tough to the final whistle.

"The team's attitude was great and they worked hard off-season and during the season. The seniors were real leaders and hard workers that never gave up," stated Coach McAllister. The Colts played like winners even though they did not have a winning record.

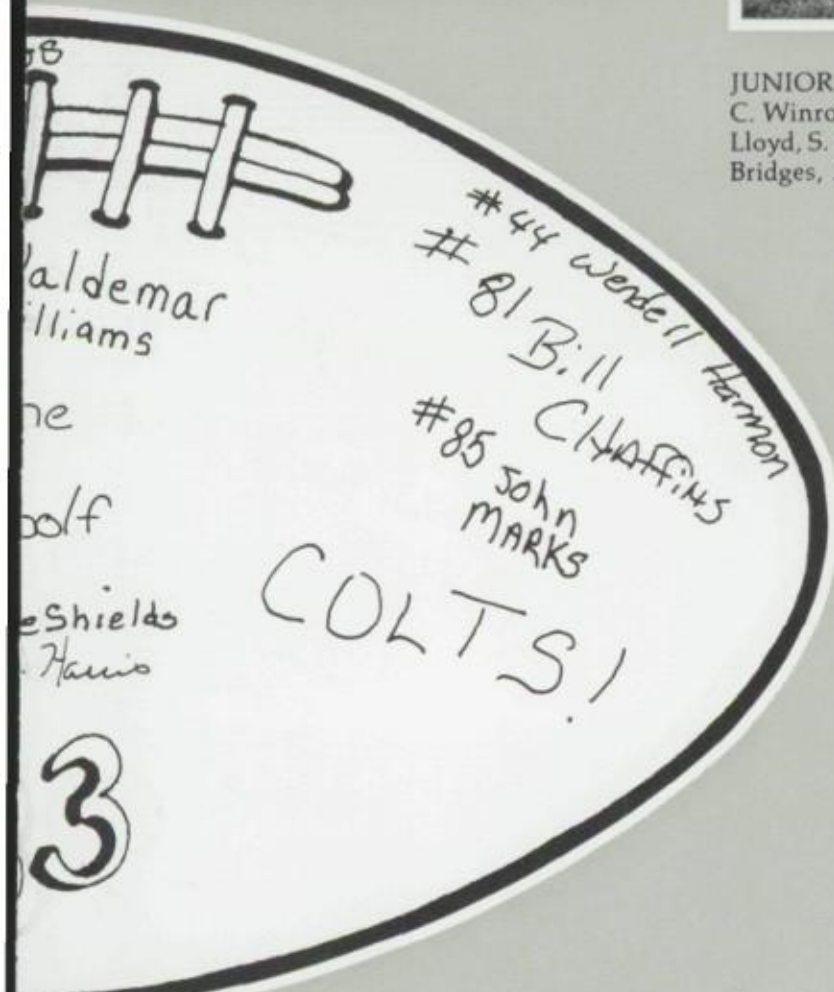

Keep your eye on the ball Jack.

The Cumberland Regional Junior Varsity Football Team enjoyed another outstanding season. Finishing with a record of 3-2-2 the young Colts kept it close in all of their games as proved by their two ties. A good J.V. defense should be credited with keeping the Colts in all of their contest.

Coaches Sheppard and Landon, coaching their first year of J.V. football, handled their coaching positions admirably, considering that they never knew who would be playing for them until the day before the game. They expect their players to make an important contribution to next year's Varsity Squad.

PROMISING YOUNG COLTS

The Colt Freshmen had another stellar year going 9-0 for the third year in a row. The Frosh helped keep intact the 28 game winning streak and will add to the youth of the Varsity team next year. Coaches Ortoff and Gregory were more than pleased with the performance of their team.

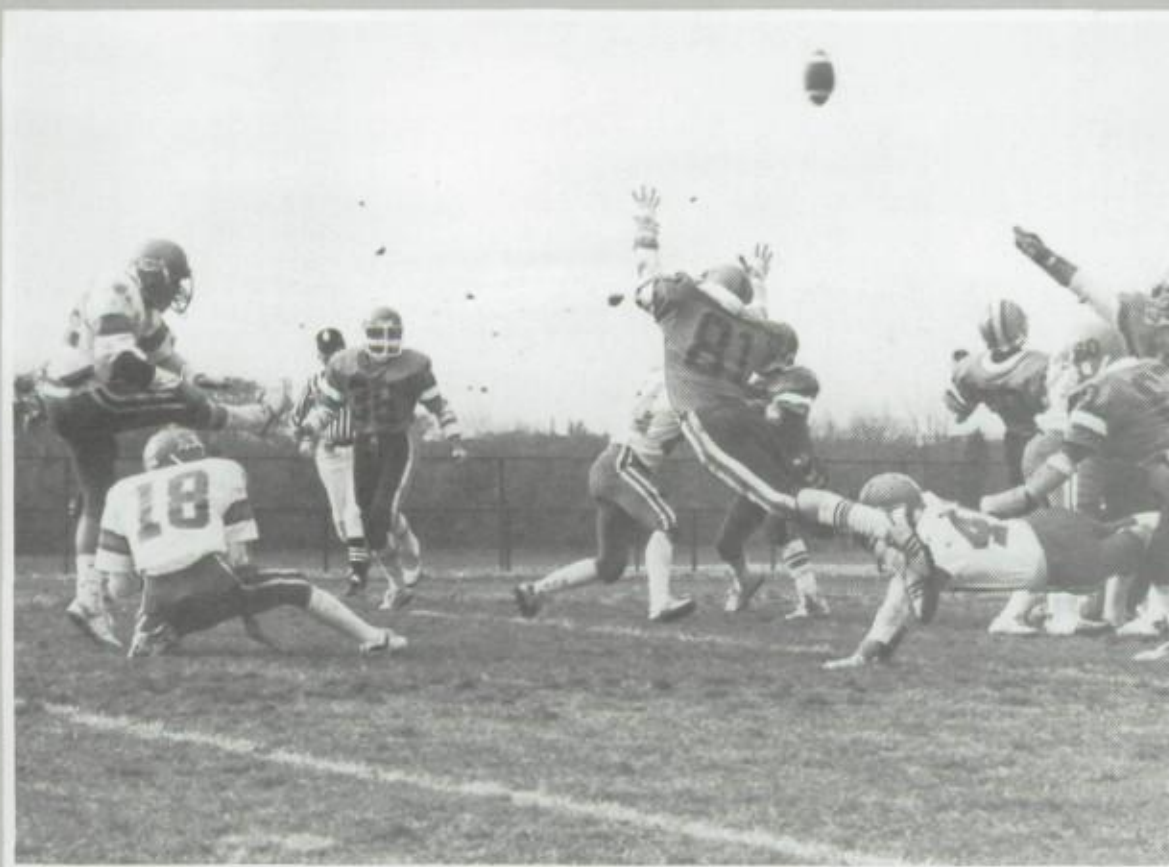

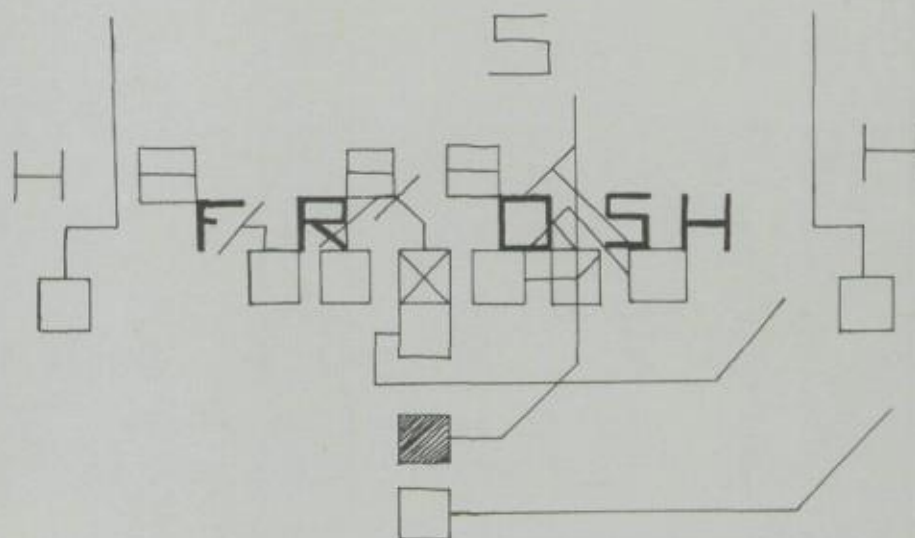

"This team performed well considering the pressure of the Freshmen winning streak," stated Coach Ortoff. "The kids must continue their hard work in order to contribute to the Varsity program in the coming years."

VARSITY GOES UNDEFEATED

Varsity: Kelli Maloney, Leslie Gould, Brenda Bryant, Tracy Fooks, Trish King, Sandy Hamrick, Bernice Jones, Debbie Lamanteer, Mrs. Barry, Janis Hasimoto, Wendy Loatman, Jessie Jones, Kathi Maloney, Carol Ann Bradford, DeAnn Sloan, Paulette Cupe, Beth Burlingame.

The varsity hockey team was undefeated this year with a record of 15-0-3. Their successful season was attributed mainly to the constant hard work and dedication of the team. While being undefeated conference champs, the team also had the opportunity to play in the state semi-finals.

The team was lead by six seniors; Jessie Jones, Paulette Cupe, Tracy Fooks, Debbie Lamanteer and Leslie Gould and Trish King as captains. The underclassman made a big hit with Kelli Maloney breaking the scoring record.

With an outstanding defense and a fast and aggressive offense, coach Barry expects the colts to continue the undefeated streak through next year.

Coach Barry has a lot of talent overflowing from the J.V. and freshmen hockey teams. The J.V. team was only scored on once this season and had an outstanding record of 16-1-0. The freshmen also had a good record of 2-1-3. With all of this talent from both squads the fight for the vacant varsity positions should be a hard one next year.

SENIORS

Colt Soccer Kicks Up Dust

The Colt soccer team opened the eyes of many people this season. The past few years have been rebuilding seasons and not very exciting at times. This year though, a drastic change occurred under new head coach, Jim Breech. The team became very offensiveminded and scored the most goals ever scored by a CRHS soccer team. Leading the attack was John Rogers who made 2nd team All-Conference. Although he was injured much of the season, his presence was felt in the games that he played in.

Coach Breech noted that this was a young team yielding only three seniors: Tom Moritz, Bill Neiswender, and Carlos Mo-

rales. Breech further noted that this season his team gained a wealth of experience as well as made its presence felt around the league.

Defense is one area that Breech really wants to work on next season. He knows the offensive punch is there and that defense is the key to success. Brian Quinn won 2nd team All-Conference for his defensive talents and Breech plans to continue working on this area of the team.

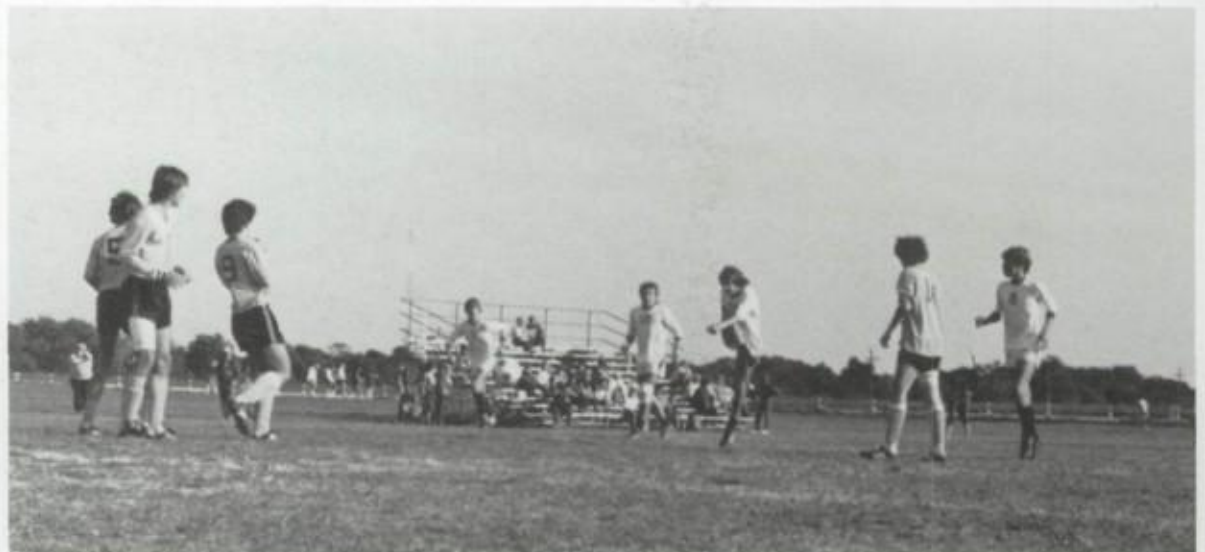

With all the youth on the team, Breech knows his team will continue to improve with lots of hard work during the off-season. And who knows, he added, "a possible conference title could be within sight!"

FOR GIRLS' TENNIS

From bottom left, clockwise to middle—Allison Fisher, Kim Geising, Denise Groff, Eleanor Smith, Leslie Doremus.

The 1983 girls' tennis team found itself with only one returning player. That player is sophomore Debbie DeCou, who moved up to the number one position this year. According to coaches Cossaboom and Gant, this was a year of reconstruction.

To fill the void remaining singles spots, the coaches looked to juniors Kelly Richter and Tracie Halter. Richter took command of the number 2 spot and Halter took over number 3. Occupying the double teams were senior Karen Lloyd and junior Cheryl O'Hara at number one, along with junior Leigh Dutch and sophomore Kim Ayars at number two.

All of these players were product of last years J.V. team. This proves what an outstanding job coach Cossaboom and coach Gant have done with their players.

The '83 colt tennis team has worked very hard during this season. Their improvements, along with the leadership of co-captains Karen Lloyd and Debbie DeCou enabled the Colts to qualify for the state tournament. They also produced an excellent upset by beating arch-rival Millville in an exciting 3-2 victory.

The girls were able to keep their record above the .500 mark; this fact makes the reason for their success obvious. The team has practiced hard and shown great improvement.

Maceo pushes for the finish line!

The 1983 Boys' Cross Country Team has quietly developed into a South Jersey powerhouse. They have taken 6th place at the South Jersey Open as well as 6th at the South Jersey Group 4 Sectional Meet.

The team completed an 11-1 season led by a powerful trio consisting of Jeff Davis, and co-captains Steve Karol and Scott Hubbard. The three placed 1-2-3 at the County Championship, pacing the victory. They were divided in conference action only twice—by Ocean City and Bridgeton. At Sectionals, Davis placed 3rd, qualifying for States, with Karol 16th and Hubbard 22nd; Jeff was also our first runner to qualify for the Meet of Championship.

The team's only loss came to the hands of Ocean City, a 28-28 tie decided by the 6th runner. Ocean City later lost to Bridgeton, forcing a run-off for the conference crown. Again, a 28-28 tie resulted in a Colt loss.

On their way to another victory.

COLT RUNNERS GO

The 1983 Colt's Girls' Cross Country season had its ups and downs. It was a building season. Three runners returned from last year, including four-year varsity runners Angie Singletary and Regina Wilson. The team ended with a 5-7 record.

Coach Moore states that he was proud of the team this year. "We had many injuries which hurt our standings this year. We lost our number three and four girls to injuries after the county meet. But our three freshmen girls hung in there to the very last meet. I felt the team did an excellent job with only five healthy runners for the last half of the season."

Senior Regina Wilson offered leadership and determination as she contributed greatly to the team's victories. Regina had an outstanding season and was elected to the All-Conference Team, Honorable Mention for the second year. Other good individual performances were given by Senior Angie Singletary and Freshman Marlo Lance.

COLT BASKETBALL

The Colt Basketball Team has worked very hard this season. The team is a very young team and is gaining valuable experience which will help in next year's games. The highlight of the season was the defeating of Bridgeton by a single Colt point! Darryl Cottman is the only graduating senior, therefore basketball fans can expect lots of excitement from next year's team and the years to come.

COLT POWER LIFTERS

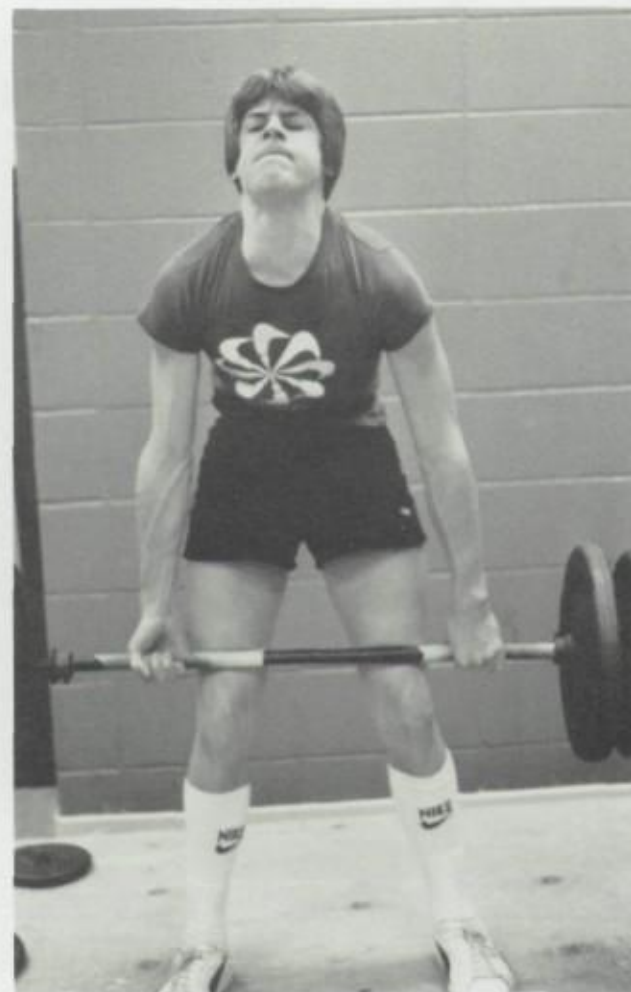

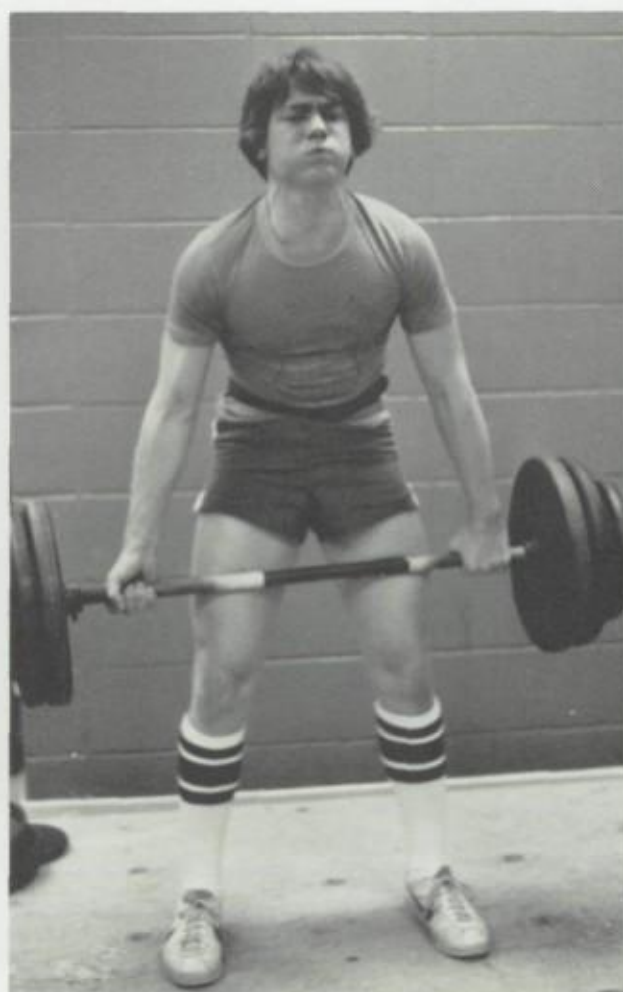

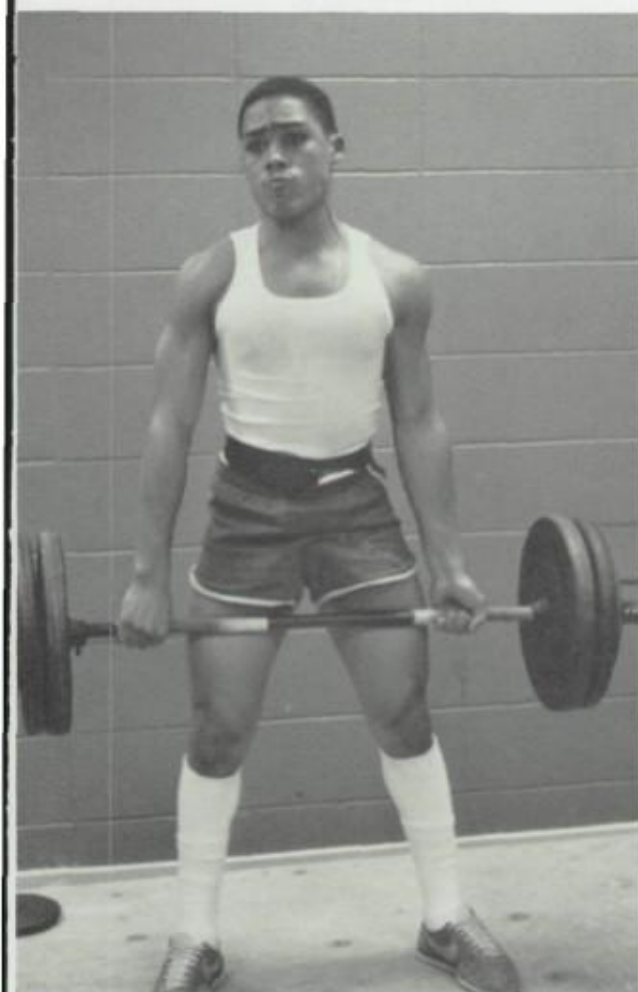

The Colt football team is always striving to become better, as shown by the determination of the players during the off season. These players work hard during the winter and spring while following Coach McAllister's program of lifting weights, running, and stretching. The dedication of the players has been excellent and the number of players working out this year has almost doubled. Coach McAllister is very pleased with the dedication of his players, and believes this attitude will help breed success for the coming season. In the coming football season the Colt fans will see a bigger, stronger, faster, and certainly better team.

This year the Girls Varsity Basketball Team, led again by Coach Debbie Gant, had another outstanding season. Four of the five starters from last year's team are back. The returning players include seniors: Elaine Lovett and Paulette Cupe, and juniors: Kelli Maloney and Brenda Bryant. The other varsity members are: senior Regina Wilson, and freshmen Traci Dimeo and Leigh Ann Walker. The girls took first place in the Colt Christmas Classic by wiping out Salem and Bridgeton. The Junior Varsity Team, led by Miss Kuhar, has had a successful season also. The J.V. players include: Sandy Hamrick, Krista Hanford, Wendy Loatman, Kim Caughron, Jody Hirata, Paula Suggs and Shannon Zable.

The Colt Wrestling Team ended with a record of 7-10. At 101 pounds, freshman George Chew ended up with an excellent record of 14-3. Not only will the Colts gain excellent wrestlers, but they will also lose a few. At 141 pounds, Senior Howard Johnson, who is picked to be first or second in Districts, ended up with a 15-1 record. He will be off to college in the fall.

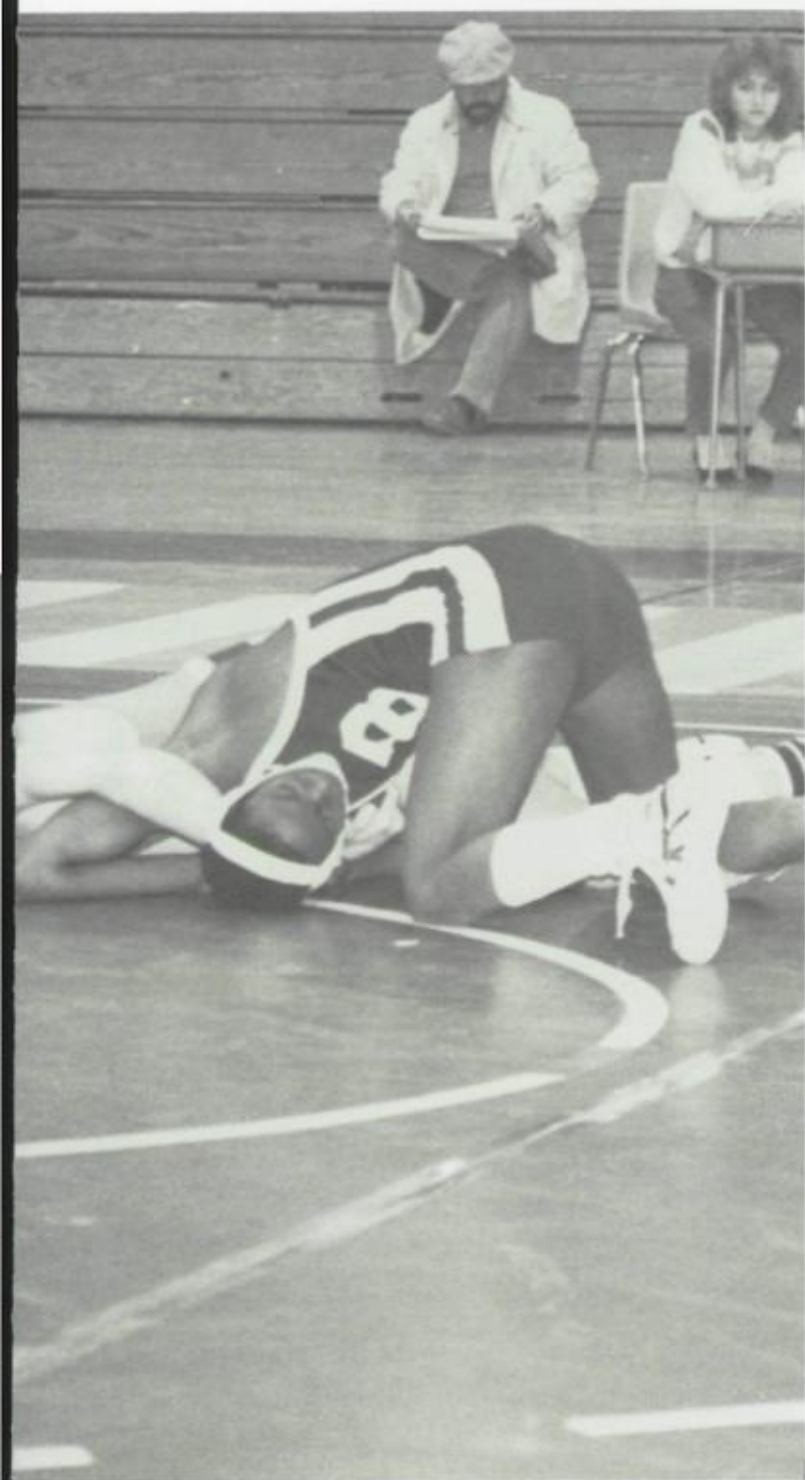

At 170 pounds, Senior Tom Moritz had a 10-7 record and is expected to wrestle at Kean College or Rutgers. Bruce Hall and Bill Suggs both came thru for the Colts when they needed it the most.

The credit can not only go to the senior wrestlers, but to the freshmen, sophmores, and juniors who put forth their hard work and dedication.

The 1984 Girls' Winter Track Team is a small but formidable group. Under the direction of coach DiRenzo, 8 girls have participated in several indoor meets at Widner and Princeton Universities. Girls' Winter Track is a relatively new varsity sport. It began as a conditioning program to prepare the girls for spring track, but now that the program has attained the status of a varsity sport they have a chance to compete with other schools. In order to attain muscular strength and endurance, the team members follow a daily workout of running

and weightlifting during practice. Their daily practices also stress the improvement of form which is vital in events such as the high jump, sprints, and shot put. Returning members of the team are seniors Paula Burrison and Zeldia Dunns who placed 1st in a state qualifying meet at Widner University for a 37' shot put throw. Juniors Danielle Pierce, Rochelle Crosier and Tania Cross are a strong asset to the team along with newcomers Seniors Wanda Hicks and Shana Gould and Junior Julie Ashman.

Tennis Colts Have Banner Year

The Colt Tennis Team had on excellent 1982 season with a 14-2 conference record. Although the team did not win the conference title as they have for the last four straight years, Coach Breech felt that his team played well and was very successful.

The seniors on the team were Kevin Simmerman who played in the number two position and Geoffrey Newton, who played the number three spot. Both seniors, co-captains of the team, had excellent seasons with outstanding win loss records. Also, both Geoff and Kevin were respected by all their teammates for their fine leadership qualities.

Returning letterman are, Tom DeCou, senior; Wes Yokoyama, first doubles, junior; and Rich Gable, second doubles, junior. Coming up are many promising underclassmen who hope to continue the winning ways of the CRHS tennis team. As Coach Breech put it so well, "Teams don't win championships in the playing season, they win them in the off season!"

The Cumberland Regional Golf Team earned the respect of the whole conference this past season. Their record was a strong 8 wins and 8 losses. A few of these losses were by less than 10 strokes and could have easily resulted in Colt victories.

The Colts also have many promis-

ing underclassmen who shot very well their freshmen year. Under new coach, Erik Ortolf, the Colts hope to put up a run for the conference title. After only losing one player, the Colts will definitely give a lot of teams quite a bit of trouble this season.

COLT TEAMWORK BREEDS SUCCESS

The 1983 Colts' baseball team had the best season ever of any varsity sport at Cumberland Regional. The Colts won their second straight conference title after a rocky start. They lost two out of their first four games, but bounced back. The Colts won a remarkable 18 games out of the last 20 games. Along with the conference title, they also won the first South Jersey Group IV Crown for Cumberland Regional.

The secret to success was a closely knit team. This togetherness helped the Colts to play the best that they possibly could on the field. The team showed tremendous confidence in every game. We hope the 1984 Colts can have another super year.

Returning from the 83 South Jersey Champs will be five seniors: Rodney Woolf, Russ Chappius, Tim Swift, Greg Bacon and Jack Tyler. Two fine juniors, first-team All Conference Brian McAllister and second-team All Conference Ernest McCoy will return and aid the Colts in defending their titles.

Only a mom could love a face like that.

Colt Girls Make Playoffs

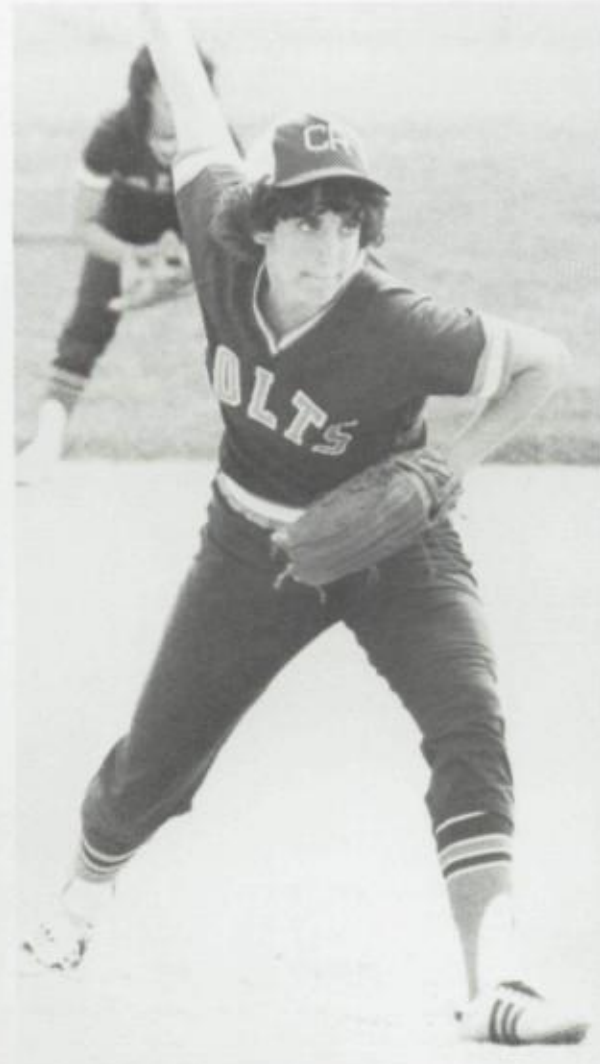

Brenda fires the throw to first.

What a cheering section!

No, Mrs. Hanzawa there's only 3 outs in softball.

Does Kelly have perfect pitch?

Lets's play catch.

The 1983 CRHS Girls Softball Team finished the season 13-3 in conference play and 17-5 overall. Although they had a discouraging loss in the championships against Vineland, they were named number one in South Jersey, according to a coaches poll. Under the direction of Coach Karen Hanzawa, this powerhouse team has never placed below fourth.

Mrs. Hanzawa credits the team's success to the determination and cooperation that the girls put forth. Players such as Kelly Maloney, Debbie Lamenteer, Paulette Cupe and Wendy Loatman made the most contribution to the team. The girls are looking forward to another winning season.

Colt Track Team Hurdles Ahead

The past few years the Cumberland Regional Track Team has been the recipient of just about every bad break possible. Despite these unlucky breaks the team has had outstanding seasons the past 3 years. In fact, one year, only one point stood between the Colts and a conference title.

This season the Colts will go at it once more by running, jumping, and hurdling their way toward a conference title. With Coach Hulme at the helm again this season, the team will most assuredly be near the top once more. Who knows, maybe this is the year that the bad breaks will be overcome and the conference title will come to where it's real home is.

Steve Karol pushes for the finish line!

Dedication Is The Key. . .

A family portrait.

Spring Track

The five years that Miss Kuhar has coached the CRHS Girls' Track and Field team have proven very successful. The 1983 season was, by no means, an exception. The girls finished the season with a remarkable eight wins and one loss. The dedication and determination of all the members was a contributing factor. "I have seen people who are good but they do not have dedication (to the sport) . . . It is very important," stresses Kuhar. Her principles certainly have achieved their purpose. In the last four years the team has only five losses!

Contributing to the team's success were all-conference winners Regina Wilson and Zelda Dunns, Angie Singletary, Tonia Cross and Tracy Brown. Zelda, Tonia and Tracy also participated in the fifth sectionals of the state meet.

A welcome newcomer to the track team is assistant coach Miss DiRenzo. "I like working with the girls. Miss Kuhar and I are friends and I caught her enthusiasm about the sport. I'm looking forward to next year."

With the unity, confidence and capabilities this team exemplifies, they can be self-assured of another winning season!

Zelda goes all out.
